CONTRACTOR SERIES DUMP BODY

BEALL CONSTRUCTION

sales@canamequipment.com

The K&H Contractor Series is designed with durability, flexibility and economy in mind. With a K&H Contractor Series body installed on your chassis you are ready to take on any job requiring dirt hauling, landscape materials, asphalt paving and patching, pool excavation or general maintenance. This product line is excellent for contractors, rental fleets and municipalities. K&H bodies are part of the diverse Beall construction products line.
